EDUCATION

WEB DEVELOPMENT 2021 - 2023

YOUTUBE

I am acquiring knowledge in web development by utilizing various platforms such as YouTube and other video streaming services.

GRAPHICS DESIGN 2019 - 2023

YOUTUBE

I am learning graphic design through YouTube tutorials as well.

WORK EXPERIENCE

MAKING TUTORIAL 2022 - PRESENT

YOUTUBE

I started making YouTube videos in 2022 because I love coding. I will keep making more videos to help you learn to code, and I will try to make them better and better. Thank you to all my subscribers for supporting me!
